

Home Learning

Welcome to a new week of online learning! Here is the weekly agenda for each day this week. Please don't forget to share your hard work with your teacher. They want to see all of the amazing things you are doing at home! Remember that you **DO NOT** need to print anything if you are unable. Everything can be done in a notebook or on a piece of paper. Your teacher will check in with you on zoom every Monday to get you ready for the week and do some math activities. They'll meet with you again on Friday for a quick meeting to go over any questions you may have and to celebrate the work you've done that week. Don't forget you can send your teacher a Remind message or an email anytime.

★ SHOW SOMEONE YOU CARE ★

HEADING

Include the address and date.

Your address

Date

GREETING

Include "Dear," the person's name, and a comma.

Dear (Name),

BODY

Write the main part of your message. (The body of the letter can be as long or as short as you want it to be!)

Have you ever received a letter or a card in the mail? There's something special about getting a handwritten letter that was written just for you.

It's great to send greeting cards for birthdays and holidays, but you don't have to wait for a special occasion to send a letter. You can send a card or a letter anytime, for any reason you want! Maybe you'd like to congratulate someone, share a joke with a friend, or just let people know you are thinking about them.

CLOSING

Add a word or phrase such as "Sincerely" or "Love" to show your letter is ending, then add a comma.

Who are the special people in your life? Send them a message to let them know you care!

All the best,

SIGNATURE

Sign your name under the closing.

Your name

P.S. If you forget to write something in the body of your letter, you can add it in a postscript! ("Postscript" actually means "written after.")

MAILING

Address, stamp, and seal your envelope, then put it in the mailbox. Without the correct address or a stamp, your letter won't get to its destination.

LETTERS OF GRATITUDE

Gratitude is another word for being thankful. Sending cards and letters are one popular way to show gratitude toward people who have helped us. Use this page to plan your letter of gratitude to a helper in your community!

1. Which community member would you like to thank with a letter? (circle one)

firefighter **nurse** **custodian** **other:** _____

2. Including specific details and memories in a letter helps show how much you care. Use the chart to brainstorm details about how the community member helped you and others.

WHAT HE OR SHE DID	HOW IT HELPED

3. Use the Letter Writing Template or a separate sheet of paper to write a draft of your letter. Make sure to include:

- A greeting
- A statement saying thank you
- Specific details about how the person helped you
- A closing and signature

4. In order to send your letter, you will need to research the address of the organization where your community helper works. You can find addresses online or in a community directory.

Once you have found the address, write it in the space below:

Street Address _____

City, State, Zip Code _____
